obtain moderate assurance as to whether the financial statements are free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Other Matters:

1. We have not audited or reviewed the comparative financial information appearing in the statement of the corresponding Quarter and Nine months ended on 31st December 2023 and year to date financial results for the period 01st April 2023 to 31st March 2024. The comparative financial information appearing in the statement of the corresponding Quarter and Nine months ended on 31st December 2023 and year to date financial results for the period 01st April 2023 to 31st March 2024 are audited by the previous auditor whose report dated 29.05.2024, expressed an unmodified opinion on those Standalone financial statements.
